## MEDICAL DISCLAIMER

### Description

- By using this website, you agree to the terms of the medical disclaimer below.
- Our online first aid courses are not a substitute for practical first aid training by an accredited training provider

### No Advice

This website contains general information about medical conditions and treatments. The information is not advice, and should not be treated as such. Our online first aid course is not a substitute for hands-on first aid training by an accredited & authorized first aid training provider and must not be used as such.

None of the individual contributors, system operators, developers, sponsors of teacherbubbles.com nor anyone else connected to teacherbubbles.com can take any responsibility for the results or consequences of any attempt to use or adopt any of the information presented on this website.

Nothing on teacherbubbles.com should be construed as an attempt to offer or render a medical opinion or otherwise engage in the practice of medicine.

### Limitation of warranties

The medical information on this website is provided “as is” without any representations or warranties, express or implied. Teacherbubbles.com makes no representations or warranties in relation to the medical information on this website or in our online first aid course.

Without prejudice to the generality of the foregoing paragraph, Teacherbubbles.com does not warrant that:

## MEDICAL DISCLAIMER

- the medical information on this website will be constantly available, or available at all; or
- the medical information on this website is complete, true, accurate, up-to-date, or non-misleading.

### Seeking Professional Assistance

You **must not** rely on the information on this website as an alternative to medical advice from your doctor or other healthcare professional.

If you have any specific questions about any medical matter you should consult your doctor or other healthcare professional.

If you think you may be suffering from any medical condition you should seek immediate medical attention from a qualified healthcare professional.

You **should never delay seeking medical advice**, disregard medical advice, or discontinue medical treatment because of information on this website or in our online first aid course.

### Liability

Nothing in this medical disclaimer will limit any of our liabilities in any way that is not permitted under applicable law, or exclude any of our liabilities that may not be excluded under applicable law.

### Our Courses

Completing our courses **does not prove competency** in any first aid or CPR skill. Our certificates are only recognised by organisations, training providers or local authorities once the practical

component was completed. Our certificates are **accredited on successful completion of all practical evaluations**. We provide formal and informal first aid & CPR qualification and you **must make sure** you apply for the practical evaluations to use our accredited certificate.

You **must not** claim to have completed an accredited first aid course following completion of our training without completing the practical evaluations.

### Practical First Aid Training

We strongly advise all visitors to complete a practical first aid training course with an authorized & accredited first aid training provider in their local area.

Our courses **must not** be used as a replacement for a practical first aid course. Our courses are no substitute for practical first aid training.
